If you are unable to serve when you are scheduled, please contact another server to fill-in for you as soon as possible (don't wait until the night before!). Use the list of altar servers. Look at the preferred Mass times on the schedule and see who else serves at Masses for the same time you're scheduled for. Try to work out a "swap." That is, be willing to switch your serving time for theirs. Switching is the fairest way to work out schedule problems.
